

Dear Bernd,

With this letter of recommendation i like to thank you for the pleasant way you helped me with building my wonderful house in Diani Beach. You always kept your promisses and when you handed over the keys everything was ready without any problems. I can fully recommend you to any people including my family and friends. Eevn my sister bought a house and she was also fully satisfied with the way you handled everything

Thanks again for your service.

Kwaheri
